# HOSA Dress Code

---

HOSA's dress code policy has different areas of emphasis: general session dress; competitive events dress, and official function dress (workshops, HOSA expo and social activities).

## General Session Dress (REQUIRED): HOSA's Official Uniform Policy

- Tailored navy blazer with emblem affixed over the heart.
- Matching navy slacks or navy knee-length skirt
- White, closed-neck, tailored dress shirt suitable for tie or scarf
- Accents: maroon HOSA scarf or maroon or navy long tie
- Closed-toe blue or black (hose optional for women)
- Belt (blue or black)
- Head covers that are required for religious purposes or to honor cultural tradition are allowed.

**OR,**

- Black or navy-blue suit
- White, closed-neck, tailored dress shirt suitable for tie or ascot/scarf

- Members may choose to wear knee-length skirt or slacks
- Closed-toe blue or black shoes (hose optional for women)
- Belt (blue or black)
- Head covers that are required for religious purposes or to honor cultural tradition are allowed.

## Competitive Events Dress:

Delegates must adhere to the policy as specified in the individual competitive event guidelines for the orientation and event in which they are competing.

If the competitive event guidelines identify **business attire** is appropriate, competitors can either wear the official HOSA uniform or any of the following dress is acceptable (color is not specified for clothing or shoes for competition):

- |                  |  |
|------------------|--|
| • Suit           | • Shirts   |
| • Sports Jackets | • Skirts   |
| • Pants          | • Dresses  |
| • Jackets        | • Shoes (closed-toe; open-toe; heeled sandals are permitted) |

Or, Official HOSA Uniform

If the competitive event guidelines identify **clinical uniform** or **attire appropriate to the occupational area for skills events**, the following dress is acceptable (scrubs can be of any color/design, with or without the HOSA emblem):

- |                             |  |
|-----------------------------|--|
| • Scrubs                    | • Clinical shoes or tennis shoes                                       |

# HOSA Dress Code Continued...

## Process for Awarding Competitive Event Dress Bonus Points:

- For all competitive events, five (5) bonus points will be added once per competitor and/or team to the tally sheet for appropriate dress. In team events, all team members must be properly dressed to receive the bonus points. Exceptions are as noted in the event guidelines.
- At the ILC, dress bonus points are awarded unless a dress violation is agreed upon by the Event Manager and a member of the HOSA CE staff. The Event Manager must notify the Event Lieutenant or Category Chair. When dress points are not awarded, this must be indicated on the HOSA Event Section Summary form, and signed by a member of the CE Program staff.
- Judges are NOT responsible for the awarding of dress bonus points; competitive event personnel handle this.

## Competitive Events Dress Tips:

No policy can possibly cover all contingencies so HOSA members must use a certain amount of judgment in their choice of clothing to wear for HOSA competition. HOSA members who experience uncertainty about acceptable HOSA attire should ask his/her HOSA local or state advisor.

## Unacceptable clothing for competition (but not limited to):

- |   |  |   |
|---|--|---|
| • Casual tank, crop or tube tops  | • Denim clothing or canvas shoes   | • Torn, dirty, or frayed clothing   |
| • T-shirts  | • Denim pants in colors other than blue  | • Clothing that has obscene or suggestive printing or pictures that may be offensive.   |
| • Sweat pants/shirts  | • Blue jean skirts and dresses   | • Flip-flops and Thong sandals: shoes that are flat, backless, made of rubber or leather, plain or embellished with beads, etc., consisting of a flat sole held loosely on the foot by a Y-shaped strap, like a thin thong, that passes between the first (big) and second toes and around either side of the foot. |
| • “Shorts”, “capri pants” and other short pants (Dress pants are acceptable.) | • Beach wear; athletic clothing, swimwear, sheer or mesh clothing and sports clothes     |   |
|   | • Revealing clothing i.e. excessive cleavage, back, chest, stomach, under garments, etc. |   |

## Note about HOSA’s Dress Code Policy:

- Head covers that are required for religious purposes or to honor cultural tradition are allowed.
- A competitor should dress appropriately, based on the dress standards outlined for the gender to which they identify.

## Official Function Dress (Workshops, HOSA Expo and Social Activities):

Appropriate business attire is required for official functions including the HOSA Expo and workshops in conjunction with the ILC. Social activities dress code will include everything EXCEPT: athletic clothing, swimwear, sheer or mesh clothing, tank tops, muscle shirts, crop tops and clothing with obscene or suggestive printing. Shirt straps must be two inches wide and the length of shorts and skirts must be at minimum to the fingertip.

# HOSA Competitive Events: FAQ

---

## Is a photo ID required for check-in for test or events at SLC?

- Yes! At HOSA SLC we **DO** require a photo ID to check in for each round of competition. You will also need to provide photo ID at ILC. Keep in mind that SLC is a preparation for ILC, so please make sure you are prepared.

## Where can I find my HOSA Competitive Event Guidelines?

1. Visit to HOSA.org and hover your mouse over the **COMPETITION** header, then click on the **GUIDELINES** menu. Select the event for the guidelines that you need, and a separate tab will open where you can read, download, or print to your preference.

## What should I bring with me to my SLC events?

- Each event requires different materials, please read your specific event guidelines *thoroughly!* Each event guideline has a box titled “**Competitors Must Provide:**”, and lists each item that YOU as a student competitor are responsible for providing. Please make sure to bring all listed materials to avoid disqualification, and ensure participation.

## Do we need to bring our event guidelines to the event orientation?

- No, event guidelines will no longer need to be shown at event orientation.

## Our chapter members placed in Clinical Specialty and Researched Persuasive Writing and Speaking at the Regional level. Can they change their event materials before the state competition?

- Yes. There are no rules that prevent individual or team competitors from changing their event materials from one level to the next. International competitors in Clinical Specialty, Researched Persuasive Writing and Speaking, and other HOSA events, can change or revise their papers, speeches and videos. Be sure to follow your guidelines and meet deadlines for events.

## How can I find out what to study for the test?

- The event guidelines contain a test plan, a list of resources and links to those resources to which you can refer. Since the test questions are taken directly from the listed resources, you will do fine if you follow this advice.

**\*\* Can't afford so many textbooks?** One school made a very specific list of what books they needed, and then found the ordering information on the Event Resources section of the HOSA website. Those lists were sent home, and in 3 weeks, every single book on the list had been donated by parents who saw this as a simple way to make a big contribution. Does your school have a library? Ask the librarian if they can order the resources for the library, so all students can have access to the resource. Did you also know that you can rent textbooks or purchase books by the chapter? Some publishers have this option. In addition, F.A. Davis and Brady Books publishers offer a discounted price for HOSA members. Check out the Event Resources page on the HOSA website.

## **Are there practice tests available for any of the tests?**

- There are no practice tests available for any of the HOSA events. HOSA members who are successful on any HOSA test have spent hours and hours studying the recommended text resource AND have a sound general understanding of the concepts to be measured on the test. It helps to pay attention to the test plan in the guidelines so you will know where to focus your attention. HOSA has provided sample test questions in the guidelines to familiarize the competitor with the types of questions asked.

## **Will the Health Professions events at the State Conference be the written test or the skills?**

- In Health Professions events, Round 1 consists of an online test which are open from March 7<sup>th</sup> to 25<sup>th</sup>. Top qualifiers of online testing proceed to the Round 2 skills events, which usually involves 1-3 skills, at the State Leadership Conference.

## **Are there any practice lists for HOSA Bowl?**

- The key to success in this event is learning as much as possible about the topics (medical terminology, HOSA facts, parliamentary procedure and medical history) and then lots of practice. The format of the questions is listed in your event guidelines to assist you with studying.
